# LIVE LIFE OUTSIDE

## Rainier Deck & Patio Awnings – The Best Shade™

### Extend Your Outdoor Living Space

Extend your home beyond the walls and expand your outdoor living space. With a motorized Rainier Patio Awning, you can create instant shelter at the touch of a button – and protect your patio or deck from the glaring sun and light rain.

### Fabrics Pass Rigorous Testing for Sun Protection

Sunbrella® brand fabrics hold the “Seal of Recommendation” by The Skin Cancer Foundation, an international organization dedicated to the prevention of skin cancer.

### Add Charm and Value to Your Home

Make a long-term investment that adds to your home's value and appeal. You'll enjoy the comfort of your deck or patio in spring, summer, and fall for years to come.

### Crafted and Assembled in the USA

### Maintenance Free and Self Storing

Rainier's custom manufactured retractable awnings are easy to operate, maintenance free, and self storing when not in use.

### Custom Built and Professionally Installed

Every Rainier awning is custom built to your specifications using the highest quality materials, precision manufacturing processes and skilled craftsmanship. Trained, professional installers will ensure that your awning is correctly installed on your home for flawless performance and operation.

#### Shade at the Touch of a Button

Relax with the convenience of a remote controlled, motorized unit. Create instant shade whenever you need it! Just press a button to extend the awning out fully, retract the awning into its housing, or stop it at just the right spot to keep your patio perfectly shaded. Our state-of-the-art Somfy motors feature time tested dependability for trouble free performance and enjoyment.

#### Listed and Certified

Each Rainier patio awning has TUV Certification with a unique serial number. This seal indicates that your awning has been exposed to rigorous independent testing and complies with all endurance safety standards required for listed electrical products. This certification shows that we are held to a much higher standard than our peers, producing the most reliable and safest awning systems in North America.

#### Stylish Shade and Shelter

Rainier awnings feature Sunbrella fabric – the best and longest lasting awning fabric available. Sunbrella is a 100% solution dyed acrylic fabric that is guaranteed not to fade for 10 years! With 200 colors and patterns to choose from, you'll find the perfect match for your home's color palette. All Rainier retractable awnings are sewn with long lasting Tenera® Thread.

#### A Tradition of Quality

Rainier was founded in 1896, and we're proud of our history as a supplier of superior quality products. Our vertically integrated, state-of-the-art manufacturing facility has an in-depth Quality Management System; we are ISO 9001 Certified. We also are serious about sustainability – we are the only retractable awning manufacturer in the United States with ISO 14001 Certification for our Environmental Management System.
